Languages

Italian: native
English: B2

EDUCATION

Secondary School Diploma | 2011–2016

ITC G.P. Chironi, Nuoro, Italia

- Economics sector, Administration, Finance and Marketing — specialisation in Business information systems.

Bachelor Degree — Computer Engineering | 2016–2020

University of Cagliari, Italy

- Final mark: 96/110
- Thesis: Implementation of a Magnetometer Based Vehicle Detection System for Smart Parking Applications.

Master Degree — Internet Engineering | 2020–2022

University of Cagliari, Italy

- Final mark: 110/110 cum laude
- Thesis: Secure and Low-Latency Communications Based on WebSocket over QUIC in Internet of Things Scenarios.

Doctor of Philosophy (Ph.D.) — Electronic and Computer Engineering | 2022–2026

University of Cagliari, Italy

- Final mark: cum laude
- Thesis: *Energy-Efficient and Trustworthy Location-Based Services for Next-Generation IoT*

Visiting Ph.D. Student | May 2024 – Sep 2024

Instituto Politécnico de Viana do Castelo, Portugal

PROFESSIONAL EXPERIENCE

Post-Doctoral Research Fellow | Apr 2026 – Present

University of Cagliari, Italy

Advanced research on drones as mobile localization and spatial reference platforms for spatial audio in immersive environments.

Tutor, teaching assistant | 2024–2026

University of Cagliari, Italy

Tutor for the *Network Security* course for Master's students in Internet Engineering.

Tutor, teaching assistant | 2025–2026

University of Cagliari, Italy

Tutor for *Cloud Networking* and *Digital Media* courses for Bachelor's students in Electronic, Computer, and Telecommunication Engineering.

Adjunct Professor | June 2025

University of Cagliari, Italy

Teaching activities for *Didactics for Telecommunication Systems* within the Initial University Training Program for Secondary School Teachers.

Freelance Worker | Nov 2025 – Apr 2026

University of Cagliari, Italy

Support for the development of an IoT-based platform for monitoring agricultural parameters.

Tutor, teaching assistant | 2021–2023

University of Cagliari, Italy

Tutor for the *Telecommunication Networks* course for Bachelor's students in Electrical, Electronic, and Computer Engineering.

Freelance Worker | Jul 2021 – Jan 2023

University of Cagliari, Italy

Support for the development of data acquisition algorithms on wireless networks and design of a monitoring system for alerting in critical urban situations.

OTHER ACTIVITIES & CERTIFICATES

Student Grant | Apr – Sep 2020

University of Cagliari, Italy

- M2M Comm — M2M Communication Standards in Smart Cities Environment

English B2 Level Certification | 2022

CLA, University of Cagliari, Italy

Training Course in European Project Design | 2023

Intellera Consulting S.p.a.

Specialized training in drafting and managing project proposals for 2021–2027 direct EU funding programs.

Certified Associate in Project Management (CAPM®) | 2026

Project Management Institute (PMI)

Certification of knowledge of PMI standards for project lifecycle management, planning, and control.

Research Mobility Grant (MGR) | 2026

Autonomous Region of Sardinia

Competitive international research mobility grant awarded following a merit-based evaluation of the research project proposal.

AWARDS

SERICS Lab2Bay | 2026

Fondazione SERICS @ INNOVIT

Selected for the acceleration program in San Francisco with the GreenShield project, addressing resource-aware IoT security.

Start Cup Sardegna | Oct 2025

University of Sassari, University of Cagliari and INNOIS

- Selected as one of the top 10 finalists in Start Cup Sardegna 2025.
- Special mention “Climate Change” awarded to the LENS project for its ability to integrate innovation and technology in the timely detection of extreme natural events.

Four-Minute-Thesis (4MT) | Dec 2025

IEEE ComSoc

Third place among the 20 finalists of the 4MT Competition by IEEE ComSoc at Globecom 2025.

AgriFuture | Jan 2025 – Jan 2026

Startup Desk by Sardegna Ricerche

Selected with AGROS among the top 10 high-tech innovative ideas for the agri-food sector.

Start Cup Sardegna | Oct 2024

University of Sassari, University of Cagliari and INNOIS

- Top 10 finalists
- Second prize (Spoke 7 of the e.INS) for the AGROS project.

Four-Minute-Thesis (4MT) | Dec 2024

IEEE ComSoc

Among the 15 finalists of the 4MT Competition by IEEE ComSoc at Globecom 2024.

Three-Minute-Thesis (3MT) | Jun 2023

IEEE ComSoc

Placed 3rd in the 1st Three-Minute Thesis (3MT) Competition by IEEE ComSoc at ICC 2023, where PhD students present their research to a non-specialist audience in three minutes.

PROFESSIONAL SERVICE & MEMBERSHIPS

Memberships

- IEEE Member (Institute of Electrical and Electronics Engineers) | 2021–Present
- IEEE Communications Society (ComSoc) | 2022–Present
- IEEE Young Professionals | 2021–Present
- IEEE Sensors Council | 2023–Present
- IEEE Internet of Things Community | 2023–Present

Program Committee (PC) Member | Nov 2023

AQ-IoT 2023: *Intelligent and Trustworthy Internet of Things Systems: Architectures and Qualities*.

Web and Social Media Chair | 2026–Present

IEEE Communications Society (ComSoc) Italy Chapter.

Organizing Committee Member | Jul 2026

IEEE International Mediterranean Conference on Communications and Networking (MeditCom 2026).

Technical Programme Committee (TPC) Member | Sep 2026

IEEE International Conference on Consumer Electronics — Berlin (ICCE Berlin 2026), *Special Session on Broadcasting*.

Peer Reviewer for International Journals

- IEEE Communications Letters
- IEEE Transactions on Industrial Electronics
- IEEE Internet of Things Journal
- IEEE Transactions on Vehicular Technology
- IEEE Sensors Journal
- IEEE Transactions on Information Forensics and Security
- IEEE Access
- Inventions (MDPI)

PUBLICATIONS

Journal Articles
